Spanish Summer Program

for Partner Universities

At EAFIT, we believe in the power of language to transform lives and open doors to new opportunities, fostering effective interaction in an increasingly interconnected world.

Join us in Medellín for an immersive Spanish experience tailored for our partner universities seeking to provide their students, faculty and staff with a rich cultural and linguistic journey.

Our Purpose:

Transforming lives and fostering opportunities for effective interaction in an intercultural world.

Spanish Courses: Levels A1.1 and A1.2

Includes:

- Virtual Survival Spanish Course.
- Spanish lessons in Medellín.
- Extracurricular Activities in Medellín.

Our program

The teaching processes aim at participatory and interactive learning in an environment where culture is integrated into the development of the four skills: listening, speaking, reading and writing, considering accuracy and relevance.

Modality: In-person lessons.

Extracurricular activities that promote immersion on our culture.

Course duration: 38 hour each course, 2 weeks.

Schedule: Monday to Friday from 9:00 a.m. to 1:00 p.m.

Virtual Survival Spanish Course

Complimentary course for all options in this proposal.

Our Virtual Survival Spanish Course, designed for those with no prior knowledge of Spanish, equips students with the essential communication skills needed to navigate real-life situations encountered while traveling in Spanish-speaking countries. From airports to hotels, restaurants, and shopping centers, students will gain confidence in their ability to interact effectively.

This six-module course, tailored to the city of Medellín, provides meaningful activities that deepen language comprehension integrated within the cultural contexts of the region, preparing students for their arrival in Medellín.

Extracurricular Activities:

- Program orientation and campus tour.
- Arepas workshop.
- Language and culture exchange club.
- Visit to the Memorial Park.
- Salsa class.

Placement Test

- **Written part:** Conducted online.
- **Oral part:** Conducted through a conversation with one of our teachers.
